Re: United States v. Dwight Reid
Docket # 20 Cr 626

The Government is directed to file a letter setting forth its position with respect to defendant Reid's request by 5:00 p.m. on 4/19/2024.

SO ORDERED.

Philip M. Halpern
United States District Judge

Dated: White Plains, New York
April 15, 2024

Dear Judge Halpern,

Please be advised that we are asking for a short adjournment on Mr. Reid's sentencing date. We ask the sentence to be adjourned from May 21 to any day except, June 19th, the week of June 17th, the primary reason for this request is that our mitigation specialist, Carmeta Albarus, got a late start on this project as she was working in Jamaica, West Indies.

Unfortunately, the government does not consent to this modest request. The Court may recall that during the very first day of the trial, it asked the parties to try to avoid conflict and work together. We have all done that. In that spirit Mr. Reid humbly asked for this modest change in schedule.

Respectfully submitted,

By: /s/Samuel Gregory//
